

# CONTENTS

Volume 16, Number 5 ♦ April / May 2001

## 4. PRESIDENT'S CORNER

*Léo Lefebvre*

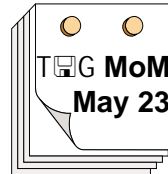

## 5. TUG BOARD OF DIRECTORS LIST

## 6. Cover Story: IBM E-SERVER: TAKING E-BUSINESS TO THE TOP

**Greg Gulyas** – As a warm-up to his presentation on May 23rd, Mr. Gulyas gives us the scoop on IBM's eServer Strategy. He compares the various strengths of the four different series in the eServer family, (iSeries, pSeries, xSeries, zSeries) and then goes into some depth on the future strategy of the iSeries in particular.

## 12. THE AGENDA

Speakers at the May 23rd MoM:  
5:00PM: Greg Gulyas  
7:00PM: Kimberly Stevenson.

## 14. BLUEPRINT FOR E-COMMERCE SUCCESS

**Eden Watt** – When you develop your first e-commerce site, you will discover that there are a few new things to learn about application development – Web style! ...

## 21. NO EXCUSES – THE iSERIES 400 WEB FACING TOOL

**Dan Duffy** – What's the coolest thing coming in V5R1? The Web Facing Tool...

## 22. TUG MoM REVIEW – THE MARCH 2001 MEETING OF MEMBERS

**Alkarim Sachedina** – Al gives us a re-cap of the last meeting, with excerpts from presentations by Eden Watt and John Earl.

## 25. TEC 2001 a TUG ODYSSEY - UPDATED CONFERENCE GRIDS

A "handy pull-out" section with the most recent TEC conference updates for April 24-25, as well as the conference registration form, (in case you haven't already registered.)

## 29. PROJECT MANAGEMENT TALES – DON'T WORRY

**Debbie Gallagher** – "The Project Manager was devastated. How could delivering according to plan lead to an unsuccessful project? ..."

## 31. COMMUNICATING WITH SAM

**Sam Johnston** – What are the real threats to Network Security, and how do we take all of the necessary measures to protect our valuable data? – (Part2 of Sam's answer.)

## 36. TUG CROSSWORD #1

**Vaughn Dragland** – Have you ever tried to make your own Crossword Puzzle? It couldn't be that difficult ... or could it? After much head scratching and sharpening pencils, Vaughn found out with his first attempt. [The solution will be printed in the next issue.]

## 38. TEC MANAGEMENT SERIES & SHOWCASE EXHIBITOR MAP

**Jay Burford** – Did you hear about the FREE management topics at the next TEC?

## 40. GOLF AND LIFE

**Ken Dajoe** – Ken pokes fun at the the silliest of pastimes.

## 42. @TUG.ON.CA

Letters to the Editor, and stuff...

## 44. DIGITAL ART

**Bob Jones** – "Squares with Stairs"

## 45. THE "GLOBAL VILLAGE"

If we could shrink the Earth's population to a village of 100 people, based on the actual relative proportions, what would it look like?

## 46. THE GOLD PAGES

## 48. BUSINESS INTELLIGENCE with Jackie

**Jackie Jansen** – BI and CRM: What do they have in common?

## 50. TUG NOTES

**Deadline for the next issue is June 8, 2001**

## TORONTO USERS GROUP for Midrange Systems

**TUG/400** e-server magazine

is a publication of the Toronto Users Group for Midrange Systems (TUG), and is distributed to members and industry associates. It contains articles on current activities of the group, as well as articles from members and non-members which are of general interest to the group. **All rights reserved.** Articles may be reprinted only with permission. Manuscripts should be submitted to the Editor at the following address: Toronto Users Group for Midrange Systems, 36 Toronto Street, Suite 850, Toronto, Ontario, Canada M5C 2C5; or via E-mail (see below).

TUG is a not-for-profit organization that promotes knowledge of the iSeries 400, the AS/400, and midrange technologies. Inquiries about the group should be directed to our Association Manager, Wende E. Boddy, at (905) 607-2546 or 1 (888) 607-2546; Fax: (905) 607-2547, E-mail: [admin@tug.on.ca](mailto:admin@tug.on.ca).
