

TUG NOTES

Byron Goodes

It is with sadness that we learned of the passing of Byron Goodes, who succumbed to Cancer this March. Byron spoke a few times at TUG meetings and at TEC. His last appearance at a TUG MoM was in September 1999. The funeral service was in Oshawa, on Monday March 11 at 11:00.

Byron Goodes with Garth Tucker and Jay Burford

Biography

Byron Goodes was Senior Consultant at **ASTECH Solutions Inc.** in Aurora Ontario. He joined ASTECH after retirement from IBM, and was involved in AS/400 Client/Server workshops. More recently, he has been conducting AS/400 Data Warehousing seminars. Before coming to ASTECH Solutions, Byron was employed, for 37 years, by **IBM Canada Ltd.** He joined IBM in Toronto, Ontario in 1958 as a Customer Service Representative. In 1972, he joined IBM Marketing as a Systems Engineer where he supported the various S/3X products. In 1983, he moved to the IBM National Support Center in Toronto where he provided national support for the S/36, S/38 and AS/400. In 1992, he accepted a position at the IBM Toronto Laboratory where he was responsible for the technical support of the various AS/400 IBM application development tools developed by the Toronto Laboratory

Byron will be missed by his many friends in the iSeries community. T G

Upcoming TUG Events

May 14-15, 2002 – TEC
May 22, 2002 – MoM at IBM Lab
June 7, 2002 – TUG Golf Classic

Polo for

If this heading has caught your attention then you will want to note the dates of June 15-17 on your calendar. In particular you may want to come out to this wonderful day in the country on Saturday when we will be promoting TUG Day at Polo for Heart. This will be a grand day for a picnic with your family and there will be an air of yesteryear when the pace of life was slower – despite the fact the Polo Ponies will be galloping at break-neck speed on the field. Admission is \$10 and all proceeds are for research on behalf of the Heart and Stroke Foundation of Ontario. Please contact Wende at the TUG Office for more information and to register your interest. I am the volunteer responsible for Gate, Admission & Parking and hope to see you June 16th. Thank you... Ron Anderson

Winners

See the TUG MoM Review (page 10) for the winners of the fabulous March 20 door prizes.

Stumper

This is an unusual paragraph. I'm curious how quickly you can find out what is so unusual about it? It looks so plain you would think nothing was wrong with it! In fact, nothing is wrong with it! It is unusual though. Study it, and think about it, but you still may not find anything odd. But if you work at it a bit, you might find out! Try to do so without any coaching...
[* Answer below.]

Digital Format

Beginning with the May 2002 issue of the TUG eServer Magazine, we will start using our printer's new "Direct Digital to Plate" technology. (One side effect however, is that we will no longer be able to accept any advertisements on film.) We are very excited about this initiative, which will enable numerous benefits to TUG and our advertising clients.

TUG Election

The six nominees for this year's board election are as follows: **Neil Andrus, Glenn Gundermann, Léo Lefebvre, Beverly Russell, Ken Sadler, and Aziz Saleh.** Ballots will be mailed to the main contact at each member organization.

[* The stumper paragraph contains no letter "e", which is the most common letter in the English language.]
