 For financing, special offers, or to buy
 direct, go to ibm.com/eserver/1270

1. Reliability claim based on historical data for U.S. AS/400 installed customers, 1995-2000. As these results are based on a large database, individual systems may experience variances. 2. IBM list price for iSeries 400 Model 270, FC*2250, uni-processor, 8.5GB disk, 255MB memory. Actual reseller price may be less. List price, specifications and availability may change without notice. IBM, iSeries, WebSphere, OS/400 and the e-business logo are trade-marks or registered trade-marks of International Business Machines Corporation in the United States, other countries or both. Lotus and Domino are trade-marks or registered trade-marks of Lotus Development Corporation. Java is a trade-mark of Sun Microsystems, Inc. in the United States and other countries. ©2000 IBM Corporation. All rights reserved.
