

# The Fourteenth Annual TUG Golf Classic

## (Another Perfect Day)

By *Wende Boddy*

We have heard it said more than once... "If you are planning an outdoor event and you want to be sure of having great weather – then schedule it for the same day as the annual TUG Golf Tournament." This was our fourteenth year, and as expected – the weather was once again perfect!

With a shotgun start at 1:00PM, we kicked off a gorgeous sunny day on the fairways at Nobleton Lakes, followed by a fabulous steak dinner, with awards and door prizes.

During the day we raised over \$2200 for the Heart & Stroke Foundation (with the help of our sponsors who donated prizes.) Much of it was made at the competitions on the par three holes. For a small donation, players could get their names in the draw for a prize, by hitting the green with their tee shot.

## The Prize winners

### TUG Charity hole

**Sunita Chatterjee** from Precision Logic won the Coleman Inflatable Sofa & Chair with Pump. **Gavin Jillard** from RBC Insurance won the Panasonic VCR. The weekend for two – the TUG prize, was won by **Mike Boyle** from AGFA.

### StorageData Technologies Charity Hole

The mountain bike was won by **Boyd Anderson** from Able One. The second prize was a DVD player won by **Sue Foster** from EMTEC.

### End to End Charity Hole

"Beat the blind guy," (**Dave Burnett**). The winner of the DVD Player was **Gavin Jillard** (again) from RBC General Insurance! The quote from Dave, as he gave out prizes, was: "You got a lot of Heart but you need a lot of work on your Stroke."

### End to End putting contest Charity Hole

The winner was our terrific TUG IBM liaison **Dale Perkins**, with 50 points. He took home the Panasonic DVD. **David Van-Geilswyk** won a personal headset. **Aaron Harrison** was the lucky winner of the Panasonic personal headset device.

### Mid-Range Computer Group Charity Hole

Each player got a Mid-Range T shirt (no golfing skill required – just a smile and a donation.)

## The Champions

Although a couple of teams brought in some ringers to threaten the reigning champions for the best score, they only managed to tie for second place at 65 (7 under par). The winners of the **Gord Jackson Memorial Trophy** once again were the “Killer Bees”: **Joe Spencer, Gerry Hoffe, Rob Herst, and Ross Bautista**, with a score of 63! (9 under par.)

Amidst much heckling and boeing, our very own Editor in Chief, **Vaughn Dragland** claimed the prize for having the last name in the box.

TUG has been very busy these last few months, and this has been no more noticeable than when our Master of Ceremonies and President (**Richard Dolewski**) forgot to give us the “Golf Joke of the Year”,

Good scores or not, everyone got a prize by picking a number from a hat, and matching their number with the one on the prize table. Special thanks to Precision Logic and Descartes Systems for many of the giveaways at dinner.

A highlight of the evening was the elimination draw, (a popular repeat event from last year). This was where anyone could donate 5 dollars for each entry in the draw, for a trip for two to Las Vegas.

All throughout the awards dinner, Richard and his accomplices drew names from the box. If your name was drawn – you were eliminated!

I'm sure the audience went home verrrry disappointed. Richard said he actually had two special jokes picked out, but forgot to tell them! I guess we will have to wait until the 15<sup>th</sup> Annual Tourney next year, unless we can persuade Richard to tell them at the next Meeting of Members, in September.
