

**When enterprise information is moving,  
production lines are moving...**

# MIMIX<sup>®</sup> makes it possible.

**FREE Availability  
Strategies Workshop  
coming to Toronto  
on June 18th!  
Call 800-848-5579**

Tightly integrated management reporting. That's what makes the enterprise so strong – and so vulnerable. MIMIX assures 24x7 availability of data and applications on IBM<sup>®</sup> eServer iSeries<sup>™</sup>. System maintenance without system downtime is easily achievable. In the face of disaster, High Availability of enterprise information is certain. And MIMIX makes it possible.
