- ☒ **June 18, 2004 – TUG Golf Classic**
to be held at Nobleton Lakes Golf and Country Club in Bolton.

Board News

The TUG Board held its annual election of officers at the July board meeting. At that time, **Eveline Gaede** (Challenger Motor Freight Inc.) became our President and Board Chair for Fiscal 2003/04. Long standing TUG Director, **Beverly Russell** (E.D. Smith) will be returning for another year as Treasurer, while our newest board member, **Stephen Bingham** (CGI) will be the new Secretary. Our two Vice Presidents this year will be **Léo Lefebvre** (MBL3 Software Services) and **Alkarim Sachedina** (Mattel), with **Richard Dolewski** (Storage Data Technology & Mid-Range Recovery Services) as President Emeritus (Past President). In addition, all of TUG’s working sub-committees were formed. There is still room for volunteers on the sub-committees, (e.g., TEC, Speakers, Salary Survey, Magazine, Memberships, Facilities, MTrack, Golf Event, Internet, Showcase, etc.) so if you want to get involved with TUG, now is the time to step forward. Just give us a call...

Grant’s Mailing is 70!

Congratulations to Grants Mailing Services Inc. on their 70th Anniversary! Your marvelous TUG Magazine is sent through their mailhouse and TUG has been using their services for 10+ years. Grant’s services include printing, addressing, and mailing, with top-of-the-line latest equipment. Their motto is “Give it to Grants.” TUG could not agree more!
– Wende Boddy

Dolewski Snatches the Bronze Again

Our very own **Richard Dolewski** won three Bronze Medal speaking awards for his sessions presented at COMMON’s Spring 2003 Conference in Indianapolis. They include: “Installing a new Operating System Release,” “Disaster Strikes, Are you Ready?” and “Don’t Fall with The Fallen.”

Established in 1994, the COMMON Speaker Excellence Hall of Fame recognizes speakers whose presentations have received exceptional ratings in both content and delivery. At the end of each session, attendees turn in evaluation forms rating each session on numerous aspects, including content, the speaker’s ability to communicate, the speaker’s knowledge of the topic, and the use of training aids.

Speakers whose sessions are rated in the top 1% are awarded a Gold Medal; the next 2% receive a Silver Medal; and the next 4% receive a Bronze Medal.

COMMON is the world’s largest users group of IBM and IBM-compatible Information Technology users. To learn more about COMMON or COMMON’s Fall 2003 IT Education Conference and Expo, visit the COMMON web site at <http://www.common.org>
