

business printing solutions

IBM Workgroup Printers offer black and white or colour laser printers that range in speed from 20 to 45 pages per minute. These printers are reliable, versatile and offer excellent performance in their price ranges.

Expand your investment by adding the multi-function (MFP) options which offer full-function copy, fax and network scan functions to the IBM Infoprint 1332, 1352, 1372 and 1145 monochrome printers, or the Infoprint Color 1220 and 1357 printers. The IBM M22, M26, and M30 MFP Options can help you increase productivity, reduce costs and optimize space and device utilization to support an efficient workgroup environment.
