## ✓ Wende Honored

In recognition of her 20 years of service to TUG, **Wende Boddy** was honored at the June 22 Golf Tournament. As a small token of appreciation she was presented with a beautiful Nobleton Lakes pullover. In addition to her duties as TUG's Association Manager, Wende has served on the golf committee since its inception and has never missed a tournament for 17 seasons. Way to go, Wende!

## ✓ 3D Photo

At the recent TUG Golf Tournament, Léo (left eye) and Vaughn (right eye) set up their matching digital cameras for the traditional golf group photo, but this time with a twist. If you don't have a stereoscopic viewer, try this: Hold the page under a bright light, about 12" from your face and stare at the vertical border between the two pictures below. Then make your eyes slightly "cross-eyed" so that they are focused about 4" in front of your nose. It may take a while, but eventually you will see the 3D effect... (But the question remains – where's Waldo?)

## ✓ Lucky Winner

**Jack Rao** (Russel Metals Inc.) was the Lucky winner of the IBM iSeries Jacket at the May 18th MoM.

## ✓ IBM iSeries Initiative for Innovation

*Information Week (June 14th issue)* ran an interesting article on the reinvigoration of the iSeries platform. It's worth checking out – [www.informationweek.com/story/showArticle.jhtml?articleID=164303067](http://www.informationweek.com/story/showArticle.jhtml?articleID=164303067).

## ✓ The Object of Golf

The object of golf is not to win, but to play like a gentleman and win...
