UPDATE ON TEC 2006

There is no better time than right now to attend to your education needs. There will never be a better time.
By Glenn Gundermann

13

HOW MUCH SHOULD YOUR COMPANY PAY FOR HIGH SPEED?

(High-speed services' costs depend on your organization's requirements.)
By Jo Burek

17

COMMUNICATING WITH SAM

My CIO is interested in reducing the cost of support personnel at our remote offices and would like to migrate applications to a centralized model.
By Sam Johnston

19

WEB SERVICES TOOLS FOR ISERIES PROGRAMMERS

Although many technologies have allowed for remote procedure calling over the years, the Web services standard is increasingly popular because it is fully open and has universal buy-in.
By George Farr and Phil Coulthard
