"STORING MY REAL-TIME DATA OFFSITE IS SAFER AND SMARTER."

BRAINS II IS THE VAULT FOR MY DATA.

I need fast, uninterrupted access to my data to maintain my competitive edge. But I can't waste time, money and energy worrying about backups.

That's why Brains II is my trusted partner for online, real-time data vaulting. They store my data on their equipment in their facilities, where their expert professionals maintain everything. I get data access and security to keep my business moving for less than what I'd pay for a part-time staff member to perform the same tasks in-house.

Brains II is an IBM Business Partner, specializing in iSeries solutions. Contact Brains II today to learn how easy and secure they can make your data protection.
